

Camp Chaverim's Geshet Program Summer 2010

This is a program for children who have completed Pre-K or have completed Kindergarten. Along with all the fun of our regular Camp Chaverim program—swimming and tennis, we will have scheduled specially tailored activities.

Some of the special activities are:

- Robot building
- Sewing
- Cooking
- Woodworking
- Sculpture making
- Photography

The children will also have projects that will challenge them creatively as well as learn to care for each other and create projects to help those in need.

Shelley Byers will be the lead counselor for this age group. Shelley brings fun and excitement for all of the children.

We look forward to sharing this time with your children. Please feel free to call us at **972-234-1542, ext 222** or email us at **preschool@congregationbethtorah.org** with any questions you may have about this program or camp.

Thank you,
Esther
